Day 1	
8:30 – 9:30	Registration and Reception
9:30 – 10:00	Opening Ceremony
10:00 – 11:00	Plenary Conference 1 *"The Futur of AI in Cybersecurity"*
11:00 – 12:30	Session 1 *"ML and Trustworthy AI for Cybersecurity"*
12:30 – 14:00	Lunch Break
14:00 – 15:30	Session 2 *"AI for Threat Detection and Malware Analysis"*
15:30 – 16:00	Tea break and Networking
16:00 – 17:30	Round Table *"Challenges of AI in Modern Cybersecurity"*
Day 2	
8:30 – 9:00	Registration and Reception
9:00 – 10:00	Plenary Conference 2 *"Adversarial AI and the Security of ML Systems"*
10:00 – 11:00	Session 3 *"Network, Cloud & IoT security"*
11:00 – 11:30	Tea break and Networking
11:30 – 12:30	Session 4 *"Data, Privacy & Blockchain Security"*
12:30 – 14:00	Lunch Break
14:00 – 15:00	Plenary Conference 3 *"Building Trustworthy and Explainable AI for Security"*
15:00 – 16:00	Session 5 *"Cyber Defense, Risk and Digital Forensics"*
18:00 – 20:00	Participant Reception (CTF)
20:00	Début du CTF
Day 3	
8:00	Start of the CTF Competition
8:00 – 9:00	Break
9:00	Announcement of Winning Teams and Award Ceremony
10:00	Closing Ceremony

Session 1 :

- Machine Learning and Deep Learning
- Adversarial Machine Learning
- Explainable AI (XAI) for Security Applications

Session 2 :

- Cyber Threat Intelligence and Attack Detection
- AI-based Malware Analysis and Detection

Session 3 :

- Network and Cloud Security
- IoT and Smart Systems Security

Session 4 :

- Security and Privacy in AI Systems
- Big Data Analytics for Cybersecurity
- Blockchain and Distributed Ledger Security

Session 5 :

- Digital Forensics and Incident Response

- Risk Assessment and Cyber Defense Strategies
