

**International Conference on Artificial Intelligence & Cybersecurity  
(AISEC 2025)**

**Manuscript Preparation Guide for Authors (Read Carefully)**

We welcome you to submit your work to AISEC-2025. To ensure the smooth processing of your manuscript and its subsequent inclusion in the conference proceedings, please adhere to the following guidelines:

**1. Formatting Guidelines:**

- **Document Format:** Prepare your manuscript preferably using LaTeX-Template. If needed, Microsoft Word format can be downloaded from MS-Template.
- **Do not change** the Page Size, Margins, Font (type and size), Line Spacing, etc.
- **Page Limit:** Manuscript must be in the range of 5-8 pages. Beyond the page range, every extra page will be charged separately at the time of registration. However, the paper cannot exceed the limit of 10 pages.
- **Title and Authors:** Clearly state the title of your paper at the top of the first page. Include the names and affiliations of all authors below the title.
- **Abstract:** Provide a concise abstract of no more than 250 words summarizing the key objectives, methods, results, and conclusions of your study.
- **Keywords:** Include 3-5 keywords below the abstract to help index your paper.
- **Headings and Subheadings:** Use descriptive headings and subheadings to organize the content of your manuscript logically.

**2. Manuscript Content:**

- **Introduction:** Clearly state the objectives and significance of your study.
- **Methods:** Describe the materials and methods used in your study in sufficient detail to allow replication by others.
- **Results:** Present your findings in a clear and concise manner, using tables, figures, and graphs where appropriate.
- **Discussion:** Interpret your results and discuss their implications in the context of existing literature. Highlight any limitations of your study.
- **Conclusion:** Summarize the main findings of your study and suggest areas for future research.
- **References:** Cite all sources used in your manuscript following the citation style given in template. Ensure that all references are complete and accurate.

**3. Figures and Tables:**

- Number all figures and tables sequentially.
- Provide clear captions for each figure and table, explaining their content and significance.
- Ensure that all figures and tables are cited in the text and appear in the appropriate order.

**4. Submission Instructions:**

- Authors are advised to submit their original and unpublished work (related to the Conference/Special Track theme).

If any query, please write to [aisec@uca.ac.ma](mailto:aisec@uca.ac.ma) with subject line  
AISEC-2025: Author Query

- Ensure that all co-authors have approved the final version of the manuscript before submission.
- Follow any additional instructions provided by the conference organizers regarding the submission process.

## **5. Review Process:**

- All submitted manuscripts will undergo a single-blind review process by experts in the field.
- Authors will be notified of the acceptance status of their manuscripts and any required revisions.
- Authors are expected to address reviewers' comments and revise their manuscripts accordingly within the specified timeframe.
- The review process takes into account both the quality of writing and the scientific impact of the work. Authors should clearly identify the problem, explain their contribution(s), and justify the state-of-the-art works. The program committee would like to review those who develop, argue, and provide results.
- Also, note that the AISEC team takes care of plagiarism (even self-plagiarism) as serious professional misconduct. All papers will be screened for plagiarism, and the AISEC team will reject them in case there exists significant overlap with the previously published papers/papers.

## **6. Copyright and Permissions:**

- By submitting your manuscript, you confirm that the work is original and has not been published elsewhere.
- Copyright will be applicable as per the publisher.

We appreciate your contribution to our conference and look forward to receiving your manuscript. If you have any questions or need further assistance, please don't hesitate to contact the conference organizers.
